Customer of Sorv-Elektro Oy  
To whom it may concern

**EU Directive 2002/95/EC (RoHS), 2011/65/EU (RoHS II) and 2015/863/EU (RoHS III)**

According to our knowledge, the products delivered by Sorv-Elektro Oy do not contain substances in concentrations that would be forbidden or declarable under the currently valid requirements of the EU Directive 2002/95/EC (RoHS), 2011/65/EU (RoHS II) and 2015/863/EU (RoHS III).

**EU REACH Regulation EC No. 1907/2006 and SVHCs**

Based on the information available to us from our suppliers we can confirm that our products comply with the restrictions of substances listed in Annex XVII of REACH and do not contain any of the REACH SVHCs in a concentration above 0.1% (w/w), as determined by ECHA. We expect our suppliers to continue to monitor and comply with the requirements of REACH regulation and therefore inform Sorv-Elektro if any changes occur.

**Conflict Minerals- Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act**

Based on the information gathered from our suppliers, as of the moment this letter is provided, we can confirm that the products are in compliance with the Dodd-Frank Act also known as the Conflict Minerals Rule. We will continue to review and update the information regarding this topic.

The above information is given in the best of our knowledge and belief based on the information received from our suppliers. Sorv-Elektro Oy does not warrant product content and shall not be liable for manufacture's omission or misleading information.

We continue to request written confirmations of compliance from our suppliers in order to evaluate the compliance with the aforementioned requirements.

Best Regards,
